See ColorTrak 2000!

RCA 25" diagonal ColorTrak 2000 with Infrared Remote Control

You get the enhanced picture and sound performance of ColorTrak 2000—plus the chairside convenience of Infrared Remote Control.

- ColorTrak 2000 Remote Control lets you select any VHF or UHF channel with touch-button ease—either directly or by scanning up or down—all from across the room. Also turns set on and off, adjusts volume or mutes it completely. On-screen channel number and time display.
- RCA's Detail Processor sharpens and refines picture detail.
- Automatic Sharpness Control helps keep picture detail at the setting you select.
- RCA's Super AccuFilter 100° black matrix picture tube with specially tinted phosphors helps keep the picture bright and sharp.
